“ Adam was my baby brother. I remember getting up with him when he was little. I remember him being my sidekick my little ride or die until he got older. I remember him hiding at my house and running out the back as the cops came in the front after him. I remember my brother was a good person before drugs and after. I know he meant a lot to us .

“ I haven't seen Adam in ages, but he practically lived at our house when we were kids. He was one of the few of my brothers friends that was always nice to me. I'm sorry for your loss Janie.
