“ Andy was a great help the day my husband had an accident on his motorcycle. Had no idea how to get bike in the yard or garage and my brother Jon said he would get help. I ran in the house to get my purse so I could get to hospital and when I came out there was Jon with a board to make a ramp and Andy was on the bike ready to push it in the gate. Jon was so sad to hear of his departure. Andy was a very good friend to Jon and he will miss him. So very sorry of your loss. Prayers for you and your husbandpray
