“ I had the amazing pleasure to mow Arnold's lawn this past year. When I tell you the joy this man would bring me on a long day, I mean it. I will miss spending time sitting on his porch talking. It was a true blessing to be able to know Arnold. How I'll miss him so very much.

“ Saun, Kelly, Katie and Family:
Please know that we are sending our comforting thoughts to you and your family, as you walk through this difficult time. It is always difficult to say good bye to someone who brought such love and joy to your family and community, as did Mr. Floyd, but hope that you can find some comfort in the many memories which your father/grandfather/great grandfather shared with each of you.
