“ I just now randomly came across Beverly's Facebook and saw that people were wishing her a Heavenly Happy Birthday. I knew Barb 33 years ago. My friends and I were at Harts Corner without fail, every weekend for a few years. Paul and Beverly were never anything but kind and friendly to me personally and all of my friends. Scott Hart was there sometimes and he was so nice to us. That place was made to feel like my second home. Please except my condolences to Paul and everyone in the family and those who loved her. I am so sorry for your loss.
Sincerely, Lisa Haney, now Lisa Burton.

“ Condolences to the family. Beverly was a very special woman. I first met Beverly 23 years ago when she interviewed me for 2 hours and for some reason she gave me a job. Over the years she was many things to me (boss, mentor, and at times like a second mother). She knew when to scold me, when to nurture me, and when I just needed someone to listen. I wouldn't be where I am today without Paul and Beverly.

“ I first met Beverly at Chesys in 1971. I was a waitress and she & Paul came in all the time. She was one of the sweetest people I know. I worked for her at the Lottery place on the corner of the foot of the 6th. Street Bridge, then I went to work for Paul at the foot of the 6th. Street Bridge called Harts Corner. She will be highly missed by EVERYONE who knew her. Paul, Paul Nathan & Scott please accept my deepest condolences.

“ I have no words to express the sadness I feel hearing of the loss of such a sweet lady. I have so many memories of Mrs. Hart growing up on 2nd Avenue across from the gas station. Always walking over to sit behind the counter while she worked the lottery counter, to get candy and a soda. As I grew up, I would often run into her out around Chesapeake and she was always at Harts Corner, which I worked at for a while. She always had a smile, a kind word, some wise words and willing to help if needed. But she was also tough, resilient and a great businesswoman. She will be greatly missed. Sending love, thoughts, and prayers to the family for strength and comfort during this time!

“ Beverly came to my rescue when I lost my brother. She took my kids for the evening while we mourned. She was a silent blessing to many people. She did things for others and didn't make it known. She was such a wonderful person. I'll never forget her kindness. Love and miss you, Beverly.
