“ David was a true Fairland Dragon, when we were in high school. Never calling attention to himself or his amazing athleticism, David was one to always treat others with kindness, respect, and compassion. I am sure those qualities were carried on through adulthood. If kindness could be measured in inches, David would have been a giant. My sincere condolences to the David's family during this difficult time.

“ I met Dave at the age of thirteen playing Babe Ruth in Proctorville. From that day on we were always friends . We went through high school at Fairland graduating in 1968. Dave and I worked together at ACF until our retirement . After retirement I worked with Dave in his survey business for several years until his health started going down hill. Dave has been a lifelong friend and he will be missed until we meet in Heaven with our Savior , The Lord Jesus Christ !
