“ We are very sorry to hear about your loss and the loss of our friend Gerry. We so much enjoyed working with Gerry at Quest as well as developing a good friendship. Such a very caring and personable individual, who became VERY popular with our two daughters who regularly received sweet gifts from Gerry in the form of Reese's peanut butter candy. They both were very saddened to hear about the loss of their new found friend but will always retain fond memories of such a kind man. Good, kind people always stay in your heart and he is one of those. Please know that you are in our thoughts and prayers and that you will find peace in God's grace and in knowing that your beloved family member had such a positive influence on so many people.
