“Uncle James and family. Aunt June was so beautiful inside and out she was full of life growing up. I remember so many fun times with her I'll share one that sticks out in my memory! She wanted to water ski so I told her I would teach her how so we jumped off of the boat in the middle of the Ohio River laughing and having a blast she did try but never stopped laughing the entire time. I can still hear her laugh. She always gave me wonderful advise and made me feel beautiful! She had a way with making everyone feel loved! I admired her and cherish the memories! Love & prayers Uncle James, Tim, Robbie, and Chris and extended family.
