“Mama has always been there for everyone, whether we needed a good laugh or someone to tell us how sweetsmart or beautiful we were) We three have known mama for about five years and have always loved her and papa's company. They came over for dinner a lot and some holidays, and I dont know about them but it's for sure we all had a great time and deffinitely made some great memories. She and papa always went out of their way when we would come over too and always made us feel welcome and right at home. No matter what happened mama always had a huge smile on her face when family came around, no matter how she felt it seemed like nothing was wrong in the world when she had her loving family and friends around to make her feel better! That was one of the things we all loved most about her! She will always be loved by the three of us and the rest of the family, and NEVER be forgotten!and we all know you are better off now with God and you wont have to suffer anymore! We love and miss you soo much! R.I.P! 3
