“ Dear Brenda, I'm thankful that God brought us two Lick Creek girls and two South Point guys together. They were both loving, devoted husbands and fathers, who loved the Lord. They no doubt are enjoying the many wonders of Heaven, and praising their Lord Jesus. What a comfort to know we will all be together again someday. Sending my love and prayers as you go through this difficult time and the days ahead.

“ He has one more niece that loved him lots! The stories he told from when I was younger before my mom moved us away will always be with me. I maybe long distance but I will remember him as my Uncle Bob that was always funny and had great stories to tell from when I was a baby to little girl.
I'm so sad I didn't make it back home before his passing.
He is loved from all over that's for sure.
R.i.h Uncle Bob, tell my daddy hi for me, love you.

My sympathy to the family. When I was a kid hanging out with his daughter Tonya,he asked me if I ever had deer meat? I said no and that night he made us deer meat, which was great and the reason I love deer meat today! Great memories growing up.
