Mourned for and missed by many, we take comfort in the knowledge that we will see him again in heaven where he is once again singing and praising God. “ I met Jerry only once. At his brother Harold Kenney's Funeral. I worked at Novamont, Sunoco, and Braskem for 45 years. Many of those years, my work bench was next to Harold's. We were both veterans and enjoyed talking about the good old days. Harold often talked about his little brother and had a great respect for him. Prayers go out to the family. David Racer.
