“ *Jill was such a fun loving lady! She was such an angel to Dad and all of us. Our Dad and Jill used to go "curbside shopping" together. Both of them in bib overalls. We will all miss her smile and laugh! Thank goodness she's no longer in pain and at home with the Lord!*

“ *Jill and I were in the same classes growing up. She was always fun to be around and a great athlete. Several years back when I found out I had breast cancer, she was one of the first to reach out. We talked several times about anything from family, to God to muscle cars. I enjoyed reconnecting with her. She had a way of making things brighter. The world is now a little dimmer without her in it. Judy, she loved you and we often talked about our mommas. My love and prayers go out to you and Danny. - Karen (Bowman) Reed-class of 94*

“ I met Jill at JACOG many years ago. She loved our Lord, her momma, and basically everyone she came in contact with. Life got busy and we lost touch. I was saddened to see that she had passed. I am thankful to know where she is now. She was one of those good humans. Prayers are being lifted for her family and friends. May she rest in peace.
