“ I adored Kathy. She was so nice. I used to collect the state quarters for her and her husband. Because of that she even bought me a Christmas gift. I'll never forget that. I'm so sorry to hear of her passing

“ Kathy Keeney was one of the most friendliest people in the world. We were automatically great friends when we met. She was a really good friend to my mom for many years when she worked at Walmart. She really had a heart of gold. I loved her like my second mother. Just some people you could attach yourself to, and she was that person. I miss you every day. Now you're in good hands because you are with the angels and never to ever be in pain again. I love you Kathy.

“ Kathy was such a sweet home she worked at Walmart for yesterday with my x husband. I remember any time we would run into her she would say now tell me something you've learned to my kids and always rewarded them with a dollar! She was the sweetest of souls and the world got a lil darker by her leaving! Rest well Kathy you deserve to be among the angels!
