“ Larry will always be remembered by the guy that always encouraged younger Christians to praise. Had a heart of gold for just and something that I always cherish is when he would scream Hallelujah in church

“ I was 18 years old when I attended a Wednesday night service that Larry preached. The Lord used that message to draw me, and that night I accepted the Lord Jesus as my savior! He sure will be missed. Love you all and will be praying for you and the family.

“ I was about 14, uncle Larry was talking to his son and said , boy stop picking your nose unless your planning on putting on your sandwich! I looked at him ...not knowing his joking funny nature, like really! He seen my reaction and said yah want some of his sandwich? My mom explained his joke to me.....! I was grossed out! He teased me for the next couple of years that we lived there. My memories are fun and funny! Thanks Unk!
