“ My name is Diane Clark and I knew Larry through my time on the Fort Frye Board of Education. We on a regular basis used to have the longest meetings some lasting into the early morning. He used to look at me across the tables and had this expression on his face it always made me laugh, to myself of course. I enjoyed any chance we had to set and talk Larry was always very nice to me. I am so very sorry for your family's loss. I will miss Larry.
