“ Ruthy will always be loved for her beautiful smile and a laugh that was highly contagious. With a heart of gold it is certain she will remain in our memories not as a soul gone to soon, but as a wonderful friend we were lucky to know

“ Ruthie was the life of our house. She was our sweet baby girl. She always had a hug and giggle to share. After her shower she always had a woo about her beautiful hair. You would have to smell it and feel it was wet. Ruthie was more then one of our consumer she was our child. I spent more time with her then I did my own family. Ruthie was and always be a part of my heart and my family. I will always miss and love you Mama.

“ *Ruthie touched the hearts of all who knew her. Her smile brightened the room, her giggle was infectious. She loved to scare me, she'd hide around the corner, behind a door, tip toe into my office. She squeal and laugh with delight as I'd jump. She loved helping others, you could always count on Ruthie to have a helping hand. Ruthie definitely ruled the roost too, she always let us know what was going on. I feel so truly blessed to have known this Angel. There are no words to describe the loss we feel in her absence. She was so very loved and will be so very deeply missed. Love you always my sweet girl 💕 Amy Conley*
