“ I will always cherish some of the fond memories that I have of Mary from my childhood. She always made family gatherings special; coming together to celebrate Thanksgiving, Christmas, or just Sunday dinner after church. She could make blackberry cobbler, homemade mashed potatoes, and chicken and dumplings like no body's business. She was a strong, fearless woman who loved her family. Mary spent the better part of her life taking care of others. May God give her eternal rest and the entire Bowman family the strength to bear the great sadness from her passing. Christy Cherry

“ The last time I got to see grandma she was doing so much better from when she had first had her stroke. I remember her smiling at me and loved that she was still keeping her hair so pretty. She was my last grandparent that got to see me grow up and it breaks my heart to see her go but I know she gets to go be with grandpa and be with Jesus. I will always remember every time we went to church they would ask her to testify and she would start out simple but then she got so excited that she was in church and would talk about when it was her time to go she would be ready. I love you grandma and I will see you soon.
