“Mike what can I say...you were one of a kind. I loved our talks, hugs, tears and disagreements. It didn't make any difference if it had been years, months, weeks or days, we always picked up where we left off and had so many laughs. I looked at the letter you sent me, again the other day, and thought that I needed to call you...now it's to late. I'm so sorry that I didn't find the time to call. Love you my dear friend, you will certainly be missed.

“There was never a dull moment with Michael. He kept us entertained throughout our High School Years! He was either making us laugh or getting caught while being mischievous! Our years together in the band were very eventful, to say the least. Mike was always DRAMATIC from the begging of our school years together. It was obvious he would be successful in the theatrical business. Wish we would have gotten together for a class reunion recently. He will be missed by many! “ I started first grade with Michael and we graduated together. We were always planning some kind of a show. The senior class play was themed from the roaring 20's. Mostly I remember the talent he had as an actor. But we laughed so much! He was loved! He will be missed. The memories of our school days are eternal!

“Gone to soon. I have so many great memories of Mike. We had many crazy times. Some of my favorite memories are when he would pick up Linda Lay and me for school, after all he was the one with the car, and we would stop at the bakery on old route 52 for some of those amazing brownies. Sometimes we would skip school and go over to Huntington for some Cam's Ham. We made many happy memories in our four years in the Chesapeake Marching Band. We ran up and down the halls of Chesapeake High school! So many shenanigans... I'm not surprised Mike got into the entertainment business. He was funny, witty, Dramatic! Did I say, DRAMATIC!!! A Girls best friend heart Fly high, Mike. You will be missed Jennifer Holbrook

“A sad day indeed. Sorry to hear about Mike's passing. Funny guy, I was always competing for the laughs, and he made me work at it! We grew up together and were in band, as well as most classes together. Having lived out of Chesapeake since college, the last time I saw Mike was at the Holiday Inn opening in Huntington after they remodeled in the early 70's. He was managing Pia Zadora, and moving to Las Vegas. Glad he had a full life, and he will be missed.

“Michael's mother & mine were good friends and often dragged the two of us along with them when they went on one of their antiquing expeditions. Mike was long suffering in keeping a younger kid entertained while tolerating our mother's shared passion. Rest well, Mike.
