“ Q: *What will you never forget about Michael?*

A: Mike gave me such wonderful memories of growing up with him and showed me the most animated people that I ever meet in my life from his & his mothers , Helen, bar the Circle Bar & Grill. I was 16 yrs old when i first met Mike. We had many fun adventures together with friends that I will never forget. Made so many friends after meeting him, these Friends that I have had all my life. I will miss him deeply but the memories are full happy times and great stories.
