“ Deepest sympathy and sincere condolences to Danny and Stacy for your loss. I met your family when I sold you a new Plymouth Acclaim back in the 1990s when I was a salesperson at Superior Chrysler. You traded an Aries K Wagon in that my Grandad later purchased and loved and drove till his death. The entire Crager family was very kind to me and was active in the South Point community - selling fresh fruits and veggies to residents over the years. Nancy's loss (as well as Lisa's) will not go unnoticed by so many people. You are all in my thoughts and prayers.
