“ *Bob made each and everyone feel so special.*

With his generous nature and when least expected, he did such kind and thoughtful things. He had a personality and sharp wit like no other. I will miss our conversations about

our kitties and his bike rides to his special places to eat. He was loved by many. Prayers to his family for strength and comfort through this difficult time of grief.

“ Brother thank you for all you did us. We have been through some stuff but we always stuck together. Funny how when you didn't want me to tell anyone anything you called me little Mildred or sometimes I was probably being a pain you called me Pita. Memories I'll have forever. You were an awesome Big Brother. I have comfortvin knowing you are with the father but my heart is still breaking. As Mama Adkins always told us it's not good bye, it's see ya later.
Love you
