“ I worked with Tonya at Local 509 in Massachusetts she was like a breath of fresh air. She was always welcoming us into her office to share lunch with her and you could talk to her. I have great memories of working with her, so kind. So sad to hear the news she will be missed.

“ Tonya had a special way about her. She always had a twinkle in her eye like she knew something you didn't. The greatest sense of humor. I imagine she's in heaven laughing with the angels.
