“ So sorry for the loss of my *BEST Friend's* (Tammy Rowe) mother. And my heart felt sympathy goes out to all the other family members as well. Even though I didn't know the mother or family I do know that no matter what the problems were, I do know that Tammy loved her mother and will miss her very much. So my prayers and thoughts go out to each family and friend that they find peace in our Lord as they go through this moment of sorrow. Amen.
