“ I was coming from out of state to Janet Crank's service and I talked to Wayne and he asked me to come and pick him up and take him to the service. I had brought him 2 cartons of his favorite cigars. I found out when I arrived he was in the Hospital and could have no visitors. He was my friend and brother in law and he would help anyone if he could. We will truly miss him. Jack Bowman

“ Q: What will you miss most about Wayne?

A: He was so funny. He was very protective and very thorough about how him and his roommate got care. Every time I would come in there to take care of them he would just sit and tell me old timey stories about how his life was. He wanted to make sure everything was properly done. His nick name was sheriff wayne. He said he love to citate all of the residents that were doing bad, or the workers LOL. He will be missed.
