“Bill was such a wonderful husband, father & grandfather. This is what I remember over the years. I know there is so much more that I’m missing. When I first met him he was still working at Armco & took Memorial Day-Labor Day off to keep up with mowing.

He loved his family & did so much with grandkids for years!

Here’s my run-down:

- bowling leagues, he did adult leagues at Colonial Lanes & grandparent bowling leagues with grandkids,*
- he raised rabbits & did rabbit shows with his granddaughter Allison,*
- He loved to take grandkids on hikes, & he created trails on his property,*
- He had a great love of the outdoors,*
- He loved summertime, ice-cream & watermelon with family,*
- He spent summer nights playing corn hole with family,*
- He was so great to take grandkids sledding, or on winter hikes,*
- He & his father built his home & the rock walls that surround it (they used dynamite to blow up rocks & build rock walls),*
- He followed a fitness routine his entire adult life that was created for him by Jack Lalanne. Nutrition, weight lifting, (all the things). I know he was still doing it in his 80s & even went to Planet Fitness.*

Bill is fortunate to have had his son Dan, daughter-in-law Deb & daughter Jan committed to help him continue to live at home. It’s not easy to make this happen, but they did.

It is an honor to have had him in my life as my father-in-law. My deepest condolences to the family.
